

STUDENTS

All visitors to Greenhouse Therapies will have an appointment or be on a scheduled training course.

All visitors to Greenhouse Therapies will have completed the COVID19 checklist on Greenhouse Therapies website before their visit.

All visitors to Greenhouse will be asked to wear a face covering unless having a facial therapy.

ON ENTERING GREENHOUSE THERAPIES

Please wipe your feet on the mat provided. If you wish to remove your shoes, you may leave them at the door.

Sanitise your hands from the 'hands free' dispenser stationed at the entrance.

CLASSROOMS.

Theory - students and tutors need to wear face coverings which they need to provide themselves

Practicals – students and tutor will need to also wear a visor – which you they need to provide themselves.

MASSAGE COUCH

Students - Please bring your own towels for each class to be used on yourself.

Please make sure you completely cover the stretch cover with paper roll (2 strips) and that you dispose of this in the bin provided in your classroom.

If you wish to cover the face hole – cover it with paper roll. Change between 'clients'.

Hands free sanitisers are provided in the classroom – please use them.

FOOD AND DRINK

Students need to provide their own lunch and eating and drinking utensils.

TOILET FACILITY

After using the toilet. Please use paper towel to turn the tap on and dispose of the paper towel in the bin provided marked 'paper only'

Use the 'hands free' soap dispenser to wash your hands. Use the paper towels to dry your hands. There is also a 'hands free' hand sanitiser in there too.

Turn the tap off.

Dispose of sanitary wear in bin provided.

Thank you for helping us to prevent cross-infection.
